FRIDAY - March 14, 2025

MORNING WORKSHOP SESSION – Main Ballroom

8:30 - 11:30 am **Bearspaw South Feedermain Failure and Return to Service** (3-hour Presentation)

On June 5, 2024, The City of Calgary experienced a catastrophic feedermain break on a 1950 mm transmission line. This line is Calgary's largest and most critical portion of the feedermain network. This presentation will highlight the various impacts and challenges faced from the initial event occurrence and the responses and actions taken to minimize impacts and return the systems back to full service.

Presenters: Patrick Van den Eynden, Dana Shirley, Brad Forsyth, and Toby Weichert, The City of Calgary

11:30 am **CLOSING REMARKS** Nathan Vis, AWWOA Chair
