

Water and Wastewater - Electrician

Electrician Position – Cochrane Area

Company Profile

AQUATECH is a privately owned Canadian corporation established in 1981, specialising in management, operation, and maintenance services for both water and wastewater facilities. AQUATECH is the largest private operator of water and wastewater treatment plants in Canada.

We are presently seeking a qualified Electrician with 2- year experience as a Red Seal Journeyman, to join our team in the Cochrane area. AQUATECH is looking for an individual who is seeking a career with our rapidly expanding company, and is eager to learn.

Electrician Main Responsibilities:

Working under the guidance of the supervisor responsible, for conducting the daily operation and maintenance of the facility.

The main responsibilities of the position include, but are not limited to:

- Able to interpret various electrical drawings (single line, schematics, loops drawings);
- Proficient with troubleshooting power circuitry (various types of motor starters, motors, UPS systems, backup generators, lighting and receptacles);
- Determine faults with control circuitry (relays, switches, floats, transmitters);
- Maintain and repair damaged equipment in MCCs, breaker panels and control panels;
- An intermediate understanding of PLCs and their operation;
- Complete electrical work as per CEC, and manufacturer recommendations;
- Adaptable to work in various environments (outdoors, inside, at heights);
- Assist plant operators and other service crew members as required.

Hours of Work

Regular work hours are 8:00am to 4:30pm.

Required Qualifications

- Willingness to learn and improve your skills;
- Compile and complete reports and all the required documents;
- Be motivated, available and polyvalent;
- Respond and communicate efficiently to client inquiries and maintain good relations with public, office staff, co-workers, and contractors;
- Have effective organization skills;
- Able to work under pressure quickly and efficiently;
- Excellent problem solving skills;
- Microsoft Office experience (specifically Word and Excel);
- Ability to work under minimal supervision;
- Good communication skills, both written and verbal;
- Have a positive attitude and able to promote a positive image of AQUATECH.
- Able to respond to after hour call outs if required

Water and Wastewater - Electrician

Compensation

AQUATECH has competitive wages, a comprehensive benefits package, plus many other intangible incentives that are offered to our full time employees.
