

## Maintenance Manager Job Position

### Maintenance Manager – JBS- Brooks, AB

#### Company Profile

**AQUATECH** is a privately owned Canadian corporation established in 1981, specialising in management, operation, and maintenance services for both water and wastewater facilities. AQUATECH is the largest private operator of water and wastewater treatment plants in Canada.

We are presently seeking to hire a full time **Maintenance Manager** for the JBS Foods Water Treatment Facility located in Brooks, Alberta. The Maintenance Manager will work in conjunction with the Site Supervisor to ensure all equipment is operating at optimal performance, perform preventative maintenance and ensure a safe and compliant working environment.

#### Responsibilities:

The main responsibilities of the position include, but are not limited to:

- Routine maintenance of plant equipment as per maintenance program.
- Continuous monitoring and replacement of all spare parts, ensuring redundancy for all critical plant components.
- Contact the appropriate suppliers for replacement parts, receiving quotes, creating and submitting a PO for approval.
- Maintenance Manager will be required to oversee contractors and ensure work is completed safely without any unplanned disruption of process in the water plant.
- Contact vendors for all servicing and calibration of plants chemical pumps, monitoring components and lab equipment.
- Clean and maintain the facility grounds i.e. retrieve debris from raw crib and backwash pond, clean any garbage that collects on fence line, mow grass and remove weeds.
- Respond to emergency repairs after hours if required.

#### Hours of Work

The Maintenance Manager position schedule will be Monday to Friday, from 8:00am to 4:30pm, and will be based out of the JBS facility located in Brooks, Alberta.

#### Required Qualifications

- Millwright certification or great mechanical skills
- 2 to 5 years experience in a similar position, preferably in water/wastewater treatment facilities.
- Valid Class 5 Alberta driver's licence, a driver's abstract will be required.
- The position is physically demanding and requires the ability to lift 25 kg (55 lb) and stand for the majority of the day.
- Microsoft Office experience (Word, Excel, and Outlook).
- Strong independent worker and team player.
- Have a positive attitude and ability to take direction and feedback.
- Certified Water Treatment would be an asset.

## Maintenance Manager Job Position
