

Operator II Job Posting

Operator II Position – Red Deer Area

Company Profile

AQUATECH is a privately owned Canadian corporation established in 1981, specialising in management, operation, and maintenance services for both water and wastewater facilities. AQUATECH is the largest private operator of water and wastewater treatment plants in Canada.

We are presently seeking a qualified operator to join our team in the Red Deer area. AQUATECH is looking for an individual who is seeking a career with our rapidly expanding company, and is eager to learn.

Operator Main Responsibilities

Working under the guidance of the supervisor, you're responsible for conducting the daily operation and maintenance of the facility.

- The main responsibilities of the position include, but are not limited to:
 - Carry out the daily operation (regulatory monitoring and reporting process adjustments, chemical transferring and maintenance) of the facilities
 - Complete and compile data of daily inspections, monitoring, and sampling as required
 - Report operational problems to the supervisor
 - Perform maintenance tasks as requested by the supervisor
 - Perform laboratory analysis and reporting
 - Perform maintenance on equipment
 - Help the supervisor with the preparation of monthly and annual reports
 - On call duties as per the schedule set out by the supervisor
 - Participate and comply with all aspects of the company's health and safety program

Hours of Work

The operator position is 10 days on, 4 days off, work hours are 8:00am to 4:30pm.

Required Qualifications and Skills

- Certified Level II Waste Water Operator and Level I Water Treatment Operator, proof of certification is required
- Valid Class 5 Alberta driver's licence, a driver's abstract will be required
- Ability to lift 25 kg (55lb)
- Excellent communication skills, written and verbal
- Problem solving skills, and ability to work with limited supervision
- Intermediate to advanced mechanical knowledge
- Hand and power tool knowledge

Preferred Qualifications and Skills

Operator II Job Posting

- Operator with multi-disciplinary certifications
- Training certificates in H₂S, First Aid, Confined Space, and TDG
- Able to work under pressure quickly and efficiently
- Excellent problem solving skills
- Microsoft Office experience (specifically Word and Excel)
- Strong independent worker and team player
- Good communication skills, both written and verbal
- Have a positive attitude and able to promote a positive image of AQUATECH

Compensation

AQUATECH has competitive wages, a comprehensive benefits package, plus many other intangible incentives that are offered to our full time employees.
