ALBERTA WATER & WASTEWATER OPERATORS ASSOCIATION

2020-21 Board of Directors

Sandra Kotch Training Chair 150K+ Pop. City of Calgary

Sandra became an operator at the Bonnybrook Plant in 1992 where she has worked for the past 26 years. She has Level IV Wastewater certification combined with degrees in both math and education. She worked with the Center of Excellence as a trainer for the Pumps and Blowers course and was involved in the Closer to Home project that attracted new operators to the industry. Sandra also previously contributed to a task analysis undertaken by the Association. Her hobbies include gardening, camping and taking care of three teenagers.
