

## Plant Operator

### Water and Waste Water Treatment Plant

Our Water and Waste Water Team has undergone recent exciting changes and is seeking enthusiastic, customer-centric and 'safety first' individuals for the position of Plant Operator.

Located in the heart of the Canadian Badlands, the Town of Drumheller is a worldwide tourism destination community serving 8,000 permanent residents and over 500,000 visitors annually. The Municipality is the largest 'town' in Alberta by land size and spans over 107 square kilometres, this includes the communities of Drumheller, Midland, Bankview, Newcastle, North Drumheller, Nacmine, Wayne, East Coulee, Rosedale, and Cambria.

The Utilities department is responsible for the operation and maintenance of the water treatment plant, water distribution network, wastewater treatment plants, and sanitary collection system. There are also five (5) water reservoirs, two (2) water booster station and seven (7) sanitary lift stations. Our Team is focused on continuous operational improvements and is making changes to exceed industry standards!

---
