

MEGAN SAUVE

DIRECTOR
5K - 25K POP.
MUNICIPAL DISTRICT OF
GREENVIEW

Megan started her career in water and wastewater in 2014. After working in Public Works for the Town of Grande Cache, she transferred to the Utilities department, where she fell in love. She soon obtained level I Water Treatment and Level II Wastewater Treatment Certification. Currently, Megan maintains the daily operations of a Class 2 WT and a Class 2 WWT Plant. She enjoys travelling and taking her two children to the park. Her eldest son was recently diagnosed with autism so she is learning behavioral techniques and strategies to encourage speech.
