

PETER CRANE

WATER WEEK CHAIR
OVER 150K POP.
EPCOR EDMONTON

Peter is a Shift Foreman at the Rossdale Water Treatment Plant. He holds a Diploma in Environmental Engineering Technology and Level IV Water Treatment Certification. He has served the people in Edmonton going on 15 years as a Water Treatment Operator at both the Rossdale and EL Smith facilities. Peter took part in both the EPCOR Utilities Inc. response to the Canmore 2013 flood relief and the 2016 Fort McMurray fire disaster. He takes pride in the operator profession and the positive impact on the quality of life enjoyed by fellow Albertans.
