

NATHAN VIS

VICE CHAIR
5K - 25K POP.
EPCOR CANMORE

Nathan is the Water and Wastewater Lead Hand with EPCOR at the Canmore Wastewater Treatment Plant. He has been actively involved in water and wastewater treatment since 2007 and holds Level IV Wastewater Treatment, Level IV Wastewater Collection, Level IV Water Distribution and Level II Water Treatment Certifications. What he truly enjoys about this field is working alongside other like-minded operators, taking pride in what he does, and providing support for others. He believes in providing a service that is paramount to both the natural environment and public health and safety.
