2024 Water Week Conference

AWWOA is excited to bring back our water week conference to Edmonton for another year!

Delegates will have access to a variety of technical presentations on water & wastewater industry topics and trends. In addition to the trade show featuring almost 100 exhibitors, it also includes other networking opportunities at our Pub Night and West Edmonton Mall (WEM) Rec Room Night.

The conference is expected to attract over 300 delegates from various communities in central and northern Alberta. Attendees include operators with varying levels of certification as well as other industry professionals including managers, consultants and suppliers. Everyone is welcome!

In addition, sponsors receive further promotion on all AWWOA social media platforms - Facebook, X and LinkedIn (4,000+ followers combined) as well as communication about this event to our entire membership of 2,300+ individuals.

We look forward to working together.
