

We Are Hiring Position Posting

Level II or III Certified Water & Wastewater Operator Operations & Infrastructure Department

Northern Sunrise County is a vibrant and action-oriented municipality that is seeking to fill a position in its Water Utility Operations. If you enjoy working in an environment that encourages development, fosters growth and looks at the big picture, the Level II or III Certified Water & Wastewater Operator position will interest you. This position offers an interesting and challenging range of duties involved in the operation of suburban and rural water and wastewater systems. The County operates a Level III Regional Water Treatment Plant, four Class II Water Distribution systems and two Class I Wastewater Lagoon systems.

The County is looking for an Alberta Environment Certified Operator with Level II Water Treatment and Distribution at a minimum, as well as wastewater certification. Prior experience in either conventional or membrane Water Treatment Plants and familiarity with Microsoft Office applications and supervisory control and data acquisition (SCADA) or distributed control systems (DCS) is required, as is a clean Class 5 Driver's License. The successful candidate must be willing to work occasional overtime and adhere to the safe work policies of the County.

Employment with the County is conditional upon receiving the following documents on or before your first day of work:

- ☒ Satisfactory Criminal Record Check
- ☒ Satisfactory Driver's Abstract

A position description is available on our website at www.northernsunrise.net.

Interested candidates may apply to:

Cindy Millar, Chief Administrative Officer
Northern Sunrise County
Bag 1300, Peace River, AB T8S 1Y9
Phone 780-624-0013 Fax 780-624-0023
cmillar@northernsunrise.net

The position will remain open until a suitable candidate is found. We would like to thank all applicants for their interest in this position, but only those selected for an interview will be contacted.
