

Water Treatment Operator I

w

Water Treatment Operator I – Brooks, AB

Company Profile

AQUATECH is a privately owned Canadian corporation established in 2004, specialising in management, operation, and maintenance services for both water and wastewater facilities. AQUATECH is the largest private operator of water and wastewater treatment plants in Canada.

We are presently seeking a qualified operator to join our team in the Brooks area. AQUATECH is looking for an individual who is seeking a career with our rapidly expanding company, and is eager to learn.

Operator Main Responsibilities

Working under the guidance of the supervisor, you're responsible for conducting the daily operation and maintenance of the facility.

- The main responsibilities of the position include, but are not limited to:
 - Carry out the daily operation (regulatory monitoring and reporting process adjustments, chemical transferring and maintenance) of the facility
 - Complete and compile data of daily inspections, monitoring, and sampling as required
 - Report operational problems to the supervisor
 - Perform maintenance tasks as requested by the supervisor
 - Perform laboratory analysis and reporting
 - Help the supervisor with the preparation of monthly annual reports
 - On call duties as per the schedule set out by the supervisor
 - Participate and comply with all aspects of the company's health and safety program

Hours of Work

The operator position is 7 days on, 7 days off, 12 hours a day, based on the schedule created by the supervisor. The plant operates 24 hours a day, 7 days a week, 365 days a year.

Required Qualifications

- Current Level II Water Treatment Operator Certification (proof of certification is required)
- Ability to lift 25 kg (55lb)
- Intermediate to advanced mechanical knowledge
- Ability to work under pressure quickly and efficiently
- Excellent problem-solving skills
- Microsoft Office experience (specifically Word and Excel)
- Strong independent worker and team player
- Good communication skills, both written and verbal
- Positive attitude and able to promote a positive image of AQUATECH
- Maintain compliance and demonstrate commitment to safety in the workplace

Water Treatment Operator I

Preferred Qualifications and Skills

- Training certificates in H₂S, First Aid, Confined Space, and TDG

Compensation

AQUATECH has competitive wages, a comprehensive benefits package, plus many other intangible incentives that are offered to our full-time employees.

How to Apply

Qualified candidates are encouraged to forward their cover letter, resume and copies of their current certifications by email to:
