

AQUATECH CANADIAN WATER SERVICES WATER AND WASTEWATER OPERATORS

Aquatech Canadian Water Services is a privately held Canadian corporation established in 2004, specialising in management, operations, and maintenance services for both Water and Wastewater facilities. Aquatech Canadian Water Services is one of the largest private Canadian operators of Water and Wastewater treatment plants.

We presently are hiring Water treatment level I or higher certified operators for full time positions. Candidates must possess a valid Level I or higher Certificate for Water Treatment and a valid class 5 driver's license. This position will be in the Fort Saint John, B.C. area.

For this specific position the team members will operate and execute the maintenance on Water Treatment and bulk loading distribution systems. The position will also involve rotations with the operation of a Wastewater Treatment Facility and Collection system. These sites will include Nanofiltration/R.O. water treatment plants, bulk truck fill stations, sewer lift station, septage receiving station, lagoons system and a Centrifuge.

Duties, responsibilities and personal qualities:

- ❖ Operate and maintain 5 level I Water Treatment Plants and bulk loading distribution systems.
- ❖ Operate and maintain a level 2 Wastewater Treatment Plant and Collection system.
- ❖ Proficient in Microsoft office suite.
- ❖ Collecting and analysis of samples.
- ❖ Process Interpretation and adjustment according to results.
- ❖ Be able to complete regular maintenance on Chemical injection systems.
- ❖ Calibrate lab equipment and on-line instrumentation.
- ❖ Trouble shooting process alarms and respond.
- ❖ Assist Supervisor to compile all the required data, reports and documents for government authorities and clients.
- ❖ Be motivated, flexible and a team player.
- ❖ Respond and communicate efficiently to client inquiries and maintain good relations with public, office staff, co-workers, and contractors.
- ❖ Have effective organization skills.
- ❖ Drive a company 4x4 truck to complete rounds and callout duties.
- ❖ Promote a positive image of AQUATECH.
- ❖ Able to complete required on-call rotation.

You will enjoy a compensative salary and benefit package plus many other intangible incentives from a company who regards "Our employees as our most important resource". Please submit your resume to:
