

JENNY PEREIRA

AWARDS CHAIR
OVER 150K POP.
CITY OF CALGARY

Jenny started working with the City of Calgary in 2006 as a Junior Operator and progressed to her latest role as Operations Supervisor. She has had the opportunity to work in all four disciplines, but most of her career has been devoted to water treatment. What does she like about this field? It is never dull; things always change, and you never stop learning. Jenny likes meeting new people and working as part of a team. She loves live music, dancing, spending time with family and friends and travelling.
