EVENTS CHAIR  
UNDER 5K POP.  
TOWN OF CARSTAIRS

Robert has worked for the Town of Carstairs since 2016 as a water and wastewater operator, achieving Level II Certification in Water Distribution, Wastewater Collection and Wastewater Treatment. Working alongside past Board members and gaining friendships through social opportunities, he's gained a strong appreciation for the contributions of the Board. It is his privilege to continue the legacy of the great people that make this industry so remarkable. He enjoys spending time with family and friends, camping and playing golf,
