AWARDS CHAIR  
PUBLIC FACILITIES  
H2O INNOVATION

Wade began working in the industry back in 1981 with Alberta Parks. Over the last forty years, he has worked in over fifty different facilities, from the smallest of small systems to Level III plants. Eight years ago, he started teaching for the AWWOA and has enjoyed instructing new recruits. While he is now semi-retired, he continues to work part-time in Kanaskis Country, since he enjoys nothing more than being in the mountains. His hobbies include hiking, kayaking and camping.
