

DARIS PODGURSKI

OPERATORS SEMINAR
CHAIR
OVER 150K POP.
CITY OF CALGARY

Daris began his career 13 years ago with the Town of Penhold as a summer student. He progressed to earn certification in Level I Water Treatment, Wastewater Treatment and Water Distribution. Currently, he works for the City of Calgary as an Intermediate Operator in Wastewater Field Services. Daris is community-minded, volunteering with Youth HQ, and enjoys travelling, camping, and skiing. He sat on the Executive Board in 2021 & 2022. The best part about being an operator is that no two days are the same.
