

CAREER OPPORTUNITY – WATER AND WASTEWATER OPERATORS

Rocky View Utility Corporation, based in Langdon, Alberta, operates several Water and Wastewater systems in Southern Alberta. As a growing company, we are looking for operators of all levels who are interested in joining a team environment, which offers challenging work and long-term growth opportunity.

Primary Responsibilities are (but not limited to):

- Provide daily inspections, monitoring and sampling as required for all Water and Wastewater systems.
- Perform routine maintenance and emergency repairs on water and wastewater equipment.
- Develop and maintain Operational Program including (ERPs), SOPs and PMPs.
- Responsible for maintaining Certificate of Recognition (COR) status in Health and Safety program by completing daily risk assessments etc.
- Weekend work and participation in the on-call rotation is required.

Preferred qualifications:

- Post-secondary education in related field.
- Alberta Environment and Parks certified Level II Operator in multiple disciplines.
- Class 5 Drivers License with drivers abstract.
- Training in various areas (H₂S Alive, Confined Space, WHIMIS, 1st Aid) would be an asset.

Preferred Skills:

- Good mechanical aptitude.
- Proven troubleshooting skills while under pressure.
- Skilled in Microsoft Office (Word, Excel).
- Physically fit, handling of 25kg objects required.
- Ability to work alone and in a team environment.

If this position is of interest to you, we invite you to please submit your cover letter and resume to csamson@rvuc.ca. Thanks to all candidates, however, only the shortlisted will be contacted.
